

Parenting Kids on Social Media

Sites to help you parent your digital citizens:

One of the best resources for parents: <http://www.common sense media.org/>

<http://www.net smartz.org/Parents>

<http://www.i keepsafe.org/>

<http://www.teach inctrl.org/>

<https://www.fosi.org/>

<http://digizen.org/>

<http://www.cyberwise.org/>

Social Media survey and data informational site: <http://pewinternet.org/>

Sites that make a positive difference using the power of Social Media

<http://www.do something.org/>

<http://www.handsonnetwork.org/>

<http://www.volunteer match.org/>

<https://www.biddingforgood.com/auction/biddingforgood.action#>

<http://www.alex slemonade.org/campaign/national-lemonade-days>

<http://saferinternetday.us/one-good-thing/>

Sites to help you with parental controls:

Terrific post about how to control your home internet settings:

<http://www.yahoo.com/tech/3-easy-ways-to-protect-your-kids-online-73422798828.html> *Note: The “skydog” router mentioned in post above is no longer available

Parental control solutions for iPhones: <http://www.imore.com/parental-controls-iphone-ipad>

iPhone monitoring tool: <http://www.teensafe.com/>

A router that controls kids’ online and computer use: <https://koalasafe.com/>

Parental control solutions for androids: <http://www.tomsguide.com/us/best-parental-control-apps,review-2258.html>

One of the leaders in cyber-bullying and internet safety for kids:

<http://www.suescheffblog.com/articles/>

Books about Digital Citizens and Social Media them:

Sex, Drugs ‘n Facebook by Megan Moreno

iRules by Janell Burley Hofmann

It’s Complicated by Danah Boyd

The Winter of our Disconnect by Susan Maushart

The Shallows –What the Internet is Doing To Our Brains by Nicholas Carr

Questions? You can email me at calandroconsulting@gmail.com

Friend me on Facebook: (Eileen Calandro) and I’ll put you in the Social Media for Parents private group or “like” the Calandro Consulting facebook page for public information.

Thank you for attending my class!
